

# Day 1 - Design A Snowman

Oh no! Bob's snowman was damaged in the storm last night and there's no time to rebuild it before he heads off to school! Can you help Bob by designing a new snowman? Fill out the worksheet and draw your own snowman. Be as imaginative as you like! But remember, your snowman must be able to withstand harsh winter winds, as well as not melt before Christmas!

Maybe you can even build your snowman the next time it snows!
